

Schaum's outline of calculus, 1999, 578 pages, Frank Ayres, Elliott Mendelson, 0070419736, 9780070419735, McGraw-Hill, 1999

Students can gain a thorough understanding of differential and integral calculus with this powerful study tool. They'll also find the related analytic geometry much easier. The clear review of algebra and geometry in this edition will make calculus easier for students who wish to strengthen their knowledge in these areas. Updated to meet the emphasis in current courses, this new edition of a popular guide; more than 104,000 copies were bought of the prior edition! includes problems and examples using graphing calculators. . Master calculus with Schaum's; the high-performance study guide. It will help you cut study time, hone problem-solving skills, and achieve your personal best on exams! Students love Schaum's Outlines because they produce results. Each year, hundreds of thousands of students improve their test scores and final grades with these indispensable study guides. Get the edge on your classmates. Use Schaum's!. . If you don't have a lot of time but want to excel in class, this book helps you: brush up before tests; find answers fast; study quickly and more effectively; get the big picture without spending hours poring over lengthy textbooks. Schaum's Outlines give you the information your teachers expect you to know in a handy and succinct format; without overwhelming you with unnecessary details. You get a complete overview of the subject. Plus, you get plenty of practice exercises to test your skill.. . Compatible with any classroom text, Schaum's let you study at your own pace and remind you of all the important facts you need to remember; fast! And Schaum's are so complete. Inside, you will find: . . . 1103 problems, with step-by-step solutions . New graphing calculator help, with practical problems . Math review sections to help the under prepared . Complete explanations of calculus concepts . . . If you want top grades and thorough understanding of calculus, this powerful study tool is the best tutor you can have!
